Alumni in the Kitchen

On the 15th of December, we held our first ever "Alumni in the Kitchen" event! The Gastronomy & Culinary Arts Department worked with Cookery Program teachers and treated us to some delicious Italian cuisine. On the day we were treated to Bruschetta for appetisers, Lasagne as a main and some lovely Tiramisu for dessert. We cannot wait for our next cooking event and what cuisine our alumni will cook up for us next!
