

# GLOBALTINBAS NEWS

## FAREWELL Erasmus&Exchange 2021-2022 FALL

We said goodbye to our 2021-2022 academic year fall semester students with DJ party.

"What we call the beginning is often the end. And to make an end is to make a beginning. The end is where we start from."

## BEFORE THE Erasmus&Exchange MOBILITY ORIENTATION

We have prepared our students, who will benefit from the spring semester mobility, for their abroad experience with @AFS.

## INTERNATIONAL ACADEMIC COOPERATIONS

### MCI Summer Program 2022 Applications are Now Open!

We have opened the application for MCI Summer Program that will be held on May 30 – June 24, 2022. Two students will be selected and entitled to participate in the summer school with no participation fee.

Application Deadline: 7 Feb 2022

### Growing Partnership Network: Newcomers

- Teaching University Geomedi, Georgia
- Ternopil National Medical University, Ukraine
- Pirogov Russian National Research Medical University, Russia
- Cherkasy State Technological University, Ukraine
- Azerbaijan Shadid Madani University, Iran

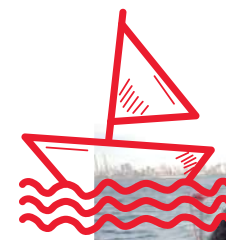

## ALUMNI RELATIONS

### Alumni Office Alumni Sailing Team

Altinbas University's newly established Alumni Sailing Team set sail for the first time on January 15th from Kalamis Marina. On a cold and pleasant Saturday morning, several students joined our sailing instructors and learned the difficult skill of sailing for two hours!

We are looking forward to resuming our sailing activities in the next few weeks and welcome any would-be sailors to come and join us and get to experience Istanbul from a new and refreshing perspective.

## SEREFIYE CISTERN

### 1600 Years Old Historical Cistern

The Şerefiye Cistern is one of many ancient cisterns of Constantinople that lie beneath the city of Istanbul, Turkey. The modern entrance is in Piyer Loti Caddesi, Fatih. The Şerefiye Cistern is Turkey's first museum with a 360° Projection Mapping system and the oldest building in the world to integrate this system.
