### HOST INSTITUTIONS

### **TEACHING MOBILITY**

Teaching Mobility can only be actualized in the Universities within the framework of the Erasmus Institutional Agreement.

### **TRAINING MOBILITY**

Training Mobility can be actualized in Higher Education Institutions with ECHE (Erasmus Charter for Higher Education) or in any firm. The firm can be an education/training/research center, any higher education institution, or any firm that is operating financially and legally. (Related to the beneficiary's department/faculty/ Unit)

## INVITING STAFF

It is possible to invite personnel working in an enterprise located in one of the program countries to give lectures to our university students within staff teaching mobility. However, the person to be invited by paying the grant cannot be an ECHE holder higher education institution.

The minimum mobility period for staff invited to teach students is a minimum of 1 day, excluding travel days, and there is no minimum course hour. The daily grant is 119€ for incoming staff to Turkey and will be paid for the travel amount indicated below.

The above-mentioned application documents should be sent to [erasmus@altinbas.edu.tr](mailto:erasmus@altinbas.edu.tr) via e-mail by the inviting academic unit at Altınbaş University. The acceptance letter is signed by the head of the relevant academic unit of Altınbaş University.

## DURATION OF THE MOBILITY AND THE ACTIVITIES

Activities are expected to be actualized by 30.10.2023.

Erasmus staff mobilities are supported for up to 4 days at our university within the framework of budget constraints.

If the mobility stated on the participation certificate is less than 2 days, the mobility is accepted as invalid, and the participant is required to return the Erasmus+ grant. For more details about the program duration please check our website

**TEACHING MOBILITY:** For the activity to be considered as a valid activity, it is compulsory to give at least 8 lesson hours.

**TRAINING MOBILITY:** Staff training activity is a full-time activity and grants are paid for full-time training. For this reason, the training program should be specified on a daily basis in the Staff Mobility For Training - Mobility Agreement.

The amount of support provided per day per country is determined by the Turkish National Agency ([www.ua.gov.tr](http://www.ua.gov.tr)) based on instructions from the European Commission. The members participating in the program may receive funding, including contributions for travel costs and subsistence during the period abroad. The subsistence grant is a contribution towards all other costs for the individual including travel within the city, accommodation, meals, and snacks. It is allowed to attend the mobility without the grant, upon the request of the participant. To attend the mobility without the grant, the formal application and evaluation process should be implemented.

The country groups and the Daily grant amounts determined by the European Commission are below.

After being selected for either program, staff members are given usually around two weeks to decide whether they would like to participate in the program or not. If staff members cancel within the given period, there is no penalty. However, if staff members decide to cancel at the given period, a 10-point deduction will not be made on the staff's next Erasmus+ application.

The Erasmus+ program offers Green Travel Support for people traveling to their destination using sustainable modes of transport. Examples of sustainable means of transport are cycling, carpooling, the bus or the train. To qualify for Green Travel Support, you must use sustainable means of transport for most of your journey (outward and return).

Green Travel Support is available if your destination lies within a 100 km to 4000 km travel distance. If you receive Green Travel Support, you will receive a higher travel allowance than the standard travel allowance.
