SAPANCA (CITY/LAKE)

A district close to Istanbul, famous for its natural beauties and with a lake surrounded by greenery and mountains.

Sapanca has recently become a tourist destination, due to its stunning natural environment and its lake, called Sapanca Gölü, as well as its proximity to İstanbul and the city of Kocaeli. Byzantine Sarcophagi and Tombstones, Vecihi Gate, Rahime Sultan Mosque and Rahime Sultan Tughra are among some of the surviving works that shed light on the history of Sapanca. It is possible to reach Sapanca, which is 2 hours away from İstanbul, by rail. You can have a pleasant journey with Adapazarı express. During the train journey, many natural beauties can be seen on the route..
